## SCHOOL SPIRIT COFFEE

[www.schoolspiritcoffee.com](http://www.schoolspiritcoffee.com)

School Spirit Coffee uses only the highest quality Arabica Beans from Central and South America. All coffee products are roasted specifically to your order at our roastery, Creative Coffees, and guaranteed to be roasted fresh within days of delivery. Since 2005, School Spirit Coffee has been providing a quality product with private label packaging at a great price to help raise funds for school groups and civic organizations.

The idea for School Spirit Coffee came to owner Debbie Hohman as a result of her school spirit and frustration with typical fundraisers. As an active booster mom for fifteen years, with two wonderful daughters, Debbie has helped organize and sell all the typical fundraising products—candy, nuts, wrapping paper, candles, and more. Because of the high cost and low quality, often the items were difficult (or embarrassing) to sell to family and friends.

If you are looking for an easy fundraiser that incorporates great products with your private label at a competitive price, give us a call at 800-570-1443 or submit a request form from the contact page of our website. We would appreciate the opportunity to help you have a fantastic fundraiser.

# NEWSLETTER

With over 220 members, the National Association for Show Choir (NASC) has set an audacious goal: to unite the show choir community in identifying common objectives, finding solutions to shared challenges, and championing the art of show choir. We recently celebrated our first anniversary on Facebook.

The NASC held its inaugural, virtual meeting last September with approximately 30 members in attendance. While the number of attendees has dropped at subsequent meetings, they are filled with intriguing conversations and connected members from coast to coast.

Why does it matter? Since 2015, show choir programs in the United States have significantly declined by over 800. Music educators are quick to blame the pandemic for the decline, but blaming ourselves for becoming insular would be more appropriate. In July, I had the opportunity to collaborate with some of the best directors, choreographers, arrangers, and costume designers in the show choir world at Showchoir Camps of America. The week's experiences were incredible, but everyone left camp and returned to their respective cubicles once it was over.

Show choir pockets have become more common throughout the U.S., which makes it difficult for show choir programs to attend and host competitions. Show choir will flourish when we start advocating, educating, and inspiring current and future music educators outside our program through consistent collaboration. In most cases, show choir directors are the only choral music educators at their school, limiting opportunities to collaborate with someone who understands what we do. NASC provides a safe platform for monthly collaboration among music educators throughout the United States.

The short-term goal for NASC is to identify a common meeting time for monthly meetings and bring in compelling guest speakers who will appeal to a large audience. A longer-term goal is to have NASC representatives from each state advocate for show choir at state and regional music educator conferences.

This is essential to reinvigorating the show choir community in schools. Too often, show choir is considered taboo. NASC wants to shatter the stigma surrounding show choirs by continuing to educate vocal associations, music educators, and administrations how these dynamic programs not only foster students' creativity, teamwork, and self-confidence but also ignite a sense of community spirit, drawing audiences together to celebrate the arts and support young talent.

*The National Association for Show Choirs' mission is to advocate, educate, and inspire current and future music educators to progress show choir throughout the United States.*
